DOCUMENT GROUPS

1	North channel and spreading grounds	2
2	East corridor storm drains	3
3	South basin and outlet works	2
4	General maps and unplaced documents	1

Every group is listed above.

1 group without a map button. All groups remain in the directory.

1 North channel and spreading grounds

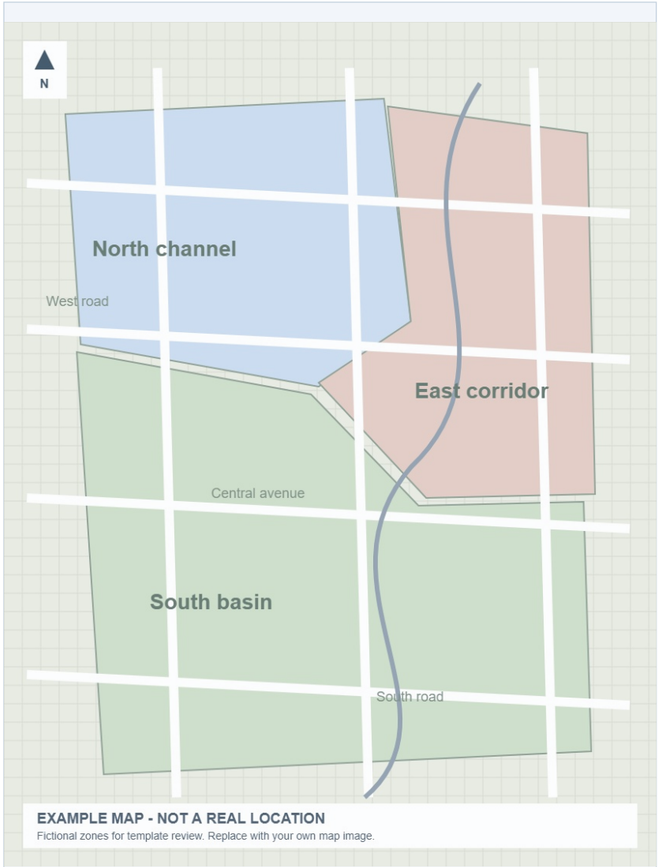

< Map

Next >

North corridor between West Road and Central Avenue

2 files linked separately

ID	Year	File name	Folder	Document type	Area status	Pages
1	1945	1945-North Channel-Plan and Profile	CD01	Construction plans	Inside area	2
2	1947	1947-North Channel-Vicinity Map	CD01	Map / exhibit	Inside area	1

Click the locator map to return to the main map.

GROUP NOTES

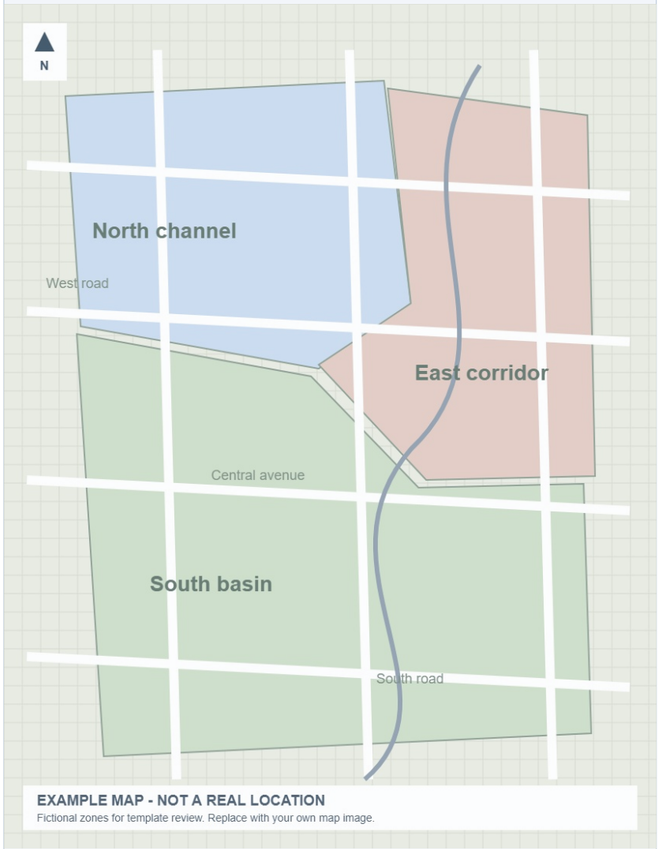

Example group: channel plans, profile drawings, and historic maps.

2 East corridor storm drains

East corridor near the main channel

3 files linked separately

ID	Year	File name	Folder	Document type	Area status	Pages
3	1957	1957-East Corridor-Contour Map	CD02	Map / exhibit	Inside area	1
4	1958	1958-East Corridor-Pipeline Crossing	CD02	Structure details	Needs review	1
5	1964	1964-East Corridor-Junction Box Details	CD02	Structure details	Inside area	1

Click the locator map to return to the main map.

GROUP NOTES

Example group: one drawing is marked Needs review. Area status must be set by a person; marker placement does not classify a document.

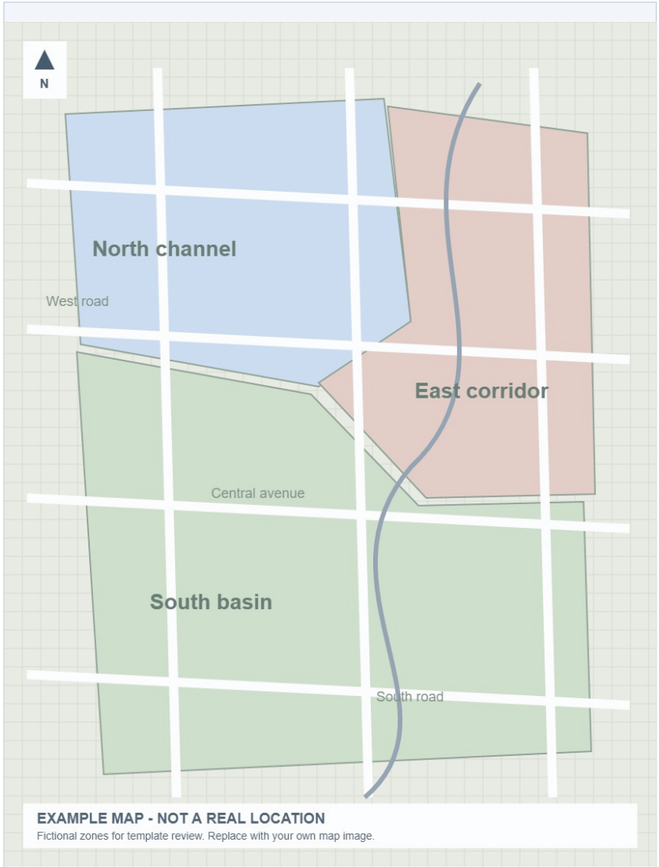

3

South basin and outlet works

South basin drainage and outlet structures

2 files linked separately

ID	Year	File name	Folder	Document type	Area status	Pages
6	1949-1952	1949-1952-South Basin-General Arrangement	CD03	Construction plans	Inside area	1
7	1954	1954-South Basin-Outlet Structure	CD03	Structure details	Outside area	1

Click the locator map to return to the main map.

GROUP NOTES

Example group: a general arrangement and an outlet detail.

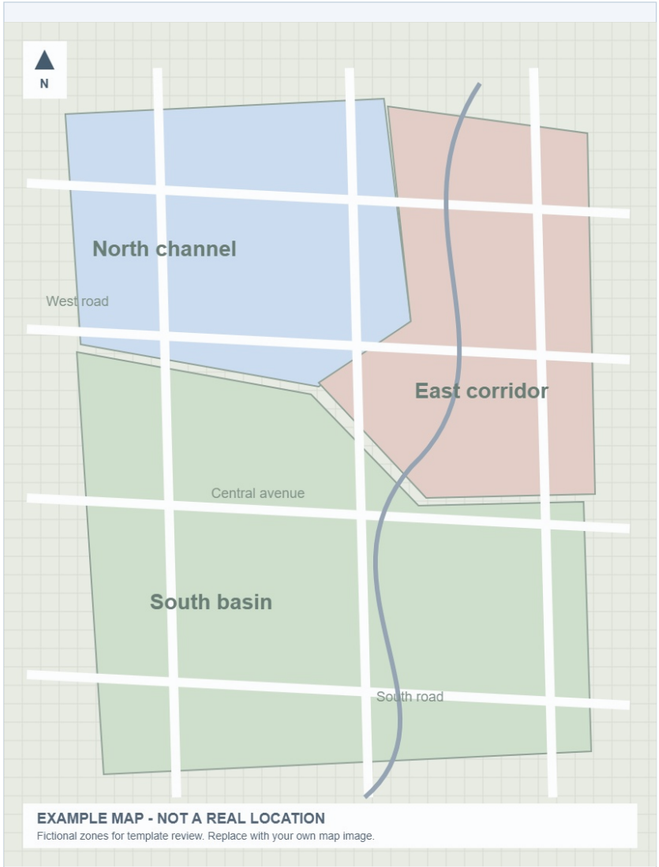

4 General maps and unplaced documents

< Map < Previous

Documents that are not tied to one map location

1 files linked separately

ID	Year	File name	Folder	Document type	Area status	Pages
8	Undated	!Misc-General Archive-Regional Reference Map	General	Reference map	Not set	1

Click the locator map to return to the main map.

GROUP NOTES

This group intentionally has no map marker. It is still reachable from the cover directory and PDF bookmarks.
